HEYFORD PARK
FREE SCHOOL

January 2017
Issue 003

Welcome to all the families who have joined Heyford Park Free School this September. We would like to introduce you to the school PTA and share with you the success of the PTA which could not have been achieved without your help. We are group of parents with children across all years of the school and our aim is to raise money to purchase items for the school which will help provide an exciting and challenging learning environment.

The PTA arranges many events throughout the school year such as Fireworks display, Movie Nights, Summer Fete. We also provide refreshments at school organised events such as the recent Primary Xmas productions and Christmas Carols Evening. The money raised through these events has been used to buy invaluable items for the school. In our last meeting, we were able to agree to a further donation of £3750 to the school which included all the items listed below. You will see we have tried to ensure that all departments within the school have benefited from the funds raised.

Recent donations:

- PE - Skeleton - Life size
- PE - Hockey Goal Keeper Kit
- PE - Football Goals

We would like to take this opportunity to say a huge “THANK YOU” to Mr Castles for everything that he has done for Heyford Park Free School. He has put so much time into the school since before it was even officially opened, and we are extremely grateful for his experience, commitment and dedication towards making it the great school that it now is.

We would also like to welcome Miss Healy to the school, we have already seen some positive changes and look forward to working together.

Thank you to the parents who were able to make our open meeting this week, it is always wonderful to receive your suggestions and fresh ideas on how to support the school. We understand that it is not always possible to make the evening meetings and therefore we would like to invite you to our Coffee Afternoon on Tuesday 31st January 2017 from 14:00 – 15:00 in the wraparound room (entrance through main reception).

We look forward to meeting you and together continue helping to provide a better education for our children.
