

# Expectations in the Sixth Form

We have the highest expectations of every student who joins us in the Sixth Form. We aspire for Sixth Form students to set the standard for the rest of the school and to act as role models for younger students.

Every student must ensure that their work is consistently of the highest standard.

We believe in a growth mindset, and as such, expect students to work hard every day to improve their performance.

High attendance and punctuality are expected from every sixth former, who should arrive at school and to all lessons on time and well prepared. We expect students to have an attendance rate of 95% or above in order to succeed in these courses.

Dress code in the Sixth Form is business wear/ smart. Male students should wear a suit (or equivalent) shirt and tie with smart shoes. Female students should wear a smart skirt, trousers or dress with a jacket. Appropriate footwear must be worn and conservative jewellery is permitted.

## Our Aspiration for You

Our aspiration for sixth formers is that they leave HPFS fully equipped with the skills and attributes, and high level qualifications required to fulfil their future goals.
