

Pathways

We have created three specialised pathways to guide you to success!

Pathway 1: A Levels (2 years)

Students will undertake a combination of three A Levels (Level 3) over a two-year period.

Alongside this, it is compulsory that all students will complete the Heyfordian Trust Employability and Leadership Portfolio, which includes an internship, an extended project.

Pathway 3: Foundation Course (3 years)

Students will undertake GCSE Mathematics and English, and a BTEC in Business or Sport

This is a three-year course with a combination of Level 2 and Level 3 components, which after three years will be equivalent to 3 A Levels.

All of our courses will be available at Heyford Park campus

HPFS has been designed to meet the needs of our students. It has stunning facilities that celebrate the heritage of our community. Students have access to a variety of facilities and resources, including scientific laboratories, art rooms, dance and drama studio, as well as free access to our superb community gym. Students with a personal laptop will have access to our wireless broadband service. As a community we bring together businesses, families, students and educational experts to coach, mentor and lead the learning of our students.
