

# Course combinations at HPFS

## Pathway 1: A Levels

### 3 A Levels (Level 3)

#### Science and Mathematics:

Biology, Chemistry, Physics, Mathematics, Further Mathematics, Computer Science, Physical Education, Psychology.

#### Arts and Humanities:

English Literature, English Language and Literature, Philosophy and Ethics, History, Geography, Business Studies, Art, Drama, Music.

#### Combined:

Students can choose from a combination of Arts & Humanities and Science and Mathematics courses, when selecting their three A levels. All of our students will take 'The Extended Project' which is research based.

## Pathway 2: BTEC

### 1 BTEC (Level 3)

This is a Level 3 course, and will be cohort dependent. This specialised Level 3 course is equivalent to 3 A Levels, and students can study Business or Sport.

## Pathway 3: Foundation course

### 2 GCSEs (Level 2) and 1 BTEC (Level 3)

We offer GCSE Mathematics and English at Level 2, alongside a BTEC in Business or Sport at Level 3. The course will be completed over 3 years.
