UCAS and Further Career Support

All students in Years 12 and 13 have access to the full programme to support higher education options. PSHE lessons, form time activities, talks, lectures, speakers and presentations form the basis of the programme which begins in the September of Year 12. Year 12 students are actively encouraged to take full advantage of various University Summer courses that widely exist, and each student will have a designated tutor for support with both academic and pastoral advice.

UCAS applications begin in the Autumn Term (Year 13) to ensure students are able to take full advantage of the time required to create a strong application. References will be written in collaboration with subject specialists, tutors, Head of Sixth Form and the designated UCAS coordinator.

To support apprenticeships we will be inviting representatives from companies and leading industries to provide support for students entering apprenticeships.

The UCAS logo is displayed in a large, bold, sans-serif font. The letters 'U', 'C', and 'S' are black, while the letter 'A' is a vibrant red. The 'A' is stylized with a sharp, upward-pointing peak.
