

Show My Homework at HPFS

Show My Homework is a simple, online calendar showing homework information, deadlines and attachments for students. We are (re)launching this excellent programme for the 2017-2018 academic year in a bid to continue to improve communication between school and home and to enable our students to be more independent and stay organised.

Staff have received training on the software and will be using Show My Homework to set the tasks they would like students to complete outside of lesson time.

Students and parents will receive their *individual pins* (week beginning 18th September '17) to create their accounts and then everyone can access all the homework relevant to them at the touch of a button!

What are PINs?

PINs are unique codes Show My Homework has assigned to each parent that allows us to confirm their identity on initial login. After logging in for the first time users will be asked to provide more memorable login details for future use. PINs are then only be used as a backup in case you forget these logins.

How to log in?

Instructions for Logging in – Parents

As your child's school is now using Show My Homework, an account has been created for you to keep up to date with your child's homework progress from home.

- 1. Go to www.showmyhomework.co.uk/pin**
- 2. Enter your PIN details that you have been given in the letter provided by your school.**
- 3. Click 'Log in'**
- 4. Create a memorable password and enter your email address then click 'Update you details'.**

You are now able to access your account and view all the homework provided for your child.

You will find more useful information regarding homework on the school website under Secondary/homework

<http://heyfordparkfreeschool.org/secondary/secondary-facilities>.

If you have any further comments, questions or feedback regarding the system, please contact **Cat Marin, Show My homework coordinator, via email at cmarin@heyfordparkfreeschool.org**.
