The key objectives of Pupil Premium Grant Spending			
Objective	Actions	Success Criteria	Cost
1	To engage all pupils in regular physical activity – kick starting healthy and active lifestyles.		
2	To increase the confidence knowledge and skills of all staff in teaching PE and Sport.		
3	To broaden the experience of a range of sports and activities offered to all pupils including more participation in competitive sports.		
1.	Increase curriculum time allocated to exercise with a focus on non-traditional sports and healthy and active lifestyles. Develop outdoor play equipment Increase provision of extra-curricular sports clubs, delivered by qualified staff.	Children are exposed to regular physical activity in addition to PE lessons and begin to incorporate in independent play. Completed outdoor play equipment used by pupils to improve components of fitness. Increased participation in extra-curricular provision.	£4645
2.	Membership of North Oxfordshire School Sports Partnership. Staff training CPD – Wade gymnastics qualified instructors modelling gymnastics lessons	All staff will have an increased knowledge and confidence in teaching high quality PE and active play. A shared understanding of what makes a high quality gymnastics session.	£1500
3.	Membership of North Oxfordshire School Sports Partnership Increase the range of equipment for teaching high quality PE. Expand curriculum offer to include swimming and access to specialist facilities Transport to sports fixtures linked with cluster schools and the wider community Participation in extra-curricular activities	Children have access to a greater variety of sports. All students will take part in at least one cluster competition through NOSSP. All children on track to meet NC requirements in swimming by the end of KS2.	£3950
Total			£36950
